

You will get answers to today's driving challenges, such as:

- How to compensate for changes in vision, hearing, and reaction time;
- How to handle problem situations such as left turns, right-of-way, free-way traffic, trucks, and blind spots;
- What to do if confronted by an aggressive driver;
- When to use a car phone;
- How medications may affect driving;
- How to properly use anti-lock brakes, air bags, and safety belts;
- How to assess one's own and others' abilities via a "Personal Driving Capability Index."

AARP® Driver Safety Program

The nation's first and largest classroom refresher course geared especially to your safety needs.

AARP® Driver Safety Program

Newly updated and revised! Includes information on aggressive drivers, anti-lock brakes, car phones, and more!

“I have driven over three million miles as a commercial driver. Even with that record behind me, I have to keep an open mind and learn new things. AARP’s Driver Safety Program taught me a lot about normal age related changes that I didn’t realize. I know I’m a better driver for it.”
